

Compulsive Hoarding Learning Series

For Mental health professionals,
social workers, community and
social services workers, EMS,
landlords / tenant management

Presented by OCD Centre Manitoba

Part 1 Resources & Support

Support for clients that suffer from compulsive hoarding is available. Become aware of these resources so that you may direct your client's care for a positive outcome

@ The Canadian Museum for Human Rights

85 Israel Asper Way

**Friday,
Oct. 16th 2015
6 - 9pm**

Doors open at 5:30

Parts 2 & 3 @ The Canadian Mennonite University

500 Shaftesbury Blvd

Part 2 Assessment, De-cluttering

Learn the process of assessing a client in-office and in-home in order to work toward the de-cluttering and organizing process

**Tuesday,
Oct. 27th 2015
6 - 9pm**

Part 3 Skills Building & Recovery

There is significant risk of relapse for clients that hoard. In order to facilitate long-term recovery from hoarding, special skills are taught to clients to maintain their living space as well as to cope with daily life stressors that trigger hoarding behaviour. You will learn about these skills and how you can help your client to have long-term success

**Tuesday,
Nov. 17th 2015
6 - 9pm**
