

Turning apartments into condos: Good or Bad?

October 8, 2010 | [Winnipeg Free Press](#)

Condo conversions of apartments have added to the highly stressed market for affordable rental accommodations. Some jurisdictions have put limits to conversion of rental apartments when availability within the rental market is very low. The Winnipeg Free Press published opposing arguments on the subject today.

[Arguing in favour of intervention](#): Shauna MacKinnon, who is the director of the Canadian Centre for Policy Alternatives, Manitoba.

[Arguing in opposition to intervention](#): Avrom Charach, who is vice-president of Kay Four Properties Inc. and co-chair of the Professional Property Managers Association political action committee.
