About the WRN

The Winnipeg Rental Network (WRN) is a city-wide inter-agency initiative. The WRN addresses affordable rental issues and works with tenants, landlords and service agencies regarding tenure security.

The WRN oversees the Housing Plus program which provides centralized housing procurement and tenant/landlord supports for Winnipeg's Housing First programs.

WinnipegRentNet.ca is also an on-line resource hub that provides a free listing service for landlords, tenant and landlord resource guides and links to other resources for rental properties.

Funding for the WRN is provided by Employment and Social Development Canada and by Manitoba Housing (Strategic Initiatives). United Way of Winnipeg, Neighbourhoods Alive! and Winnipeg Foundation have also provided project specific funding.

For more information please contact 204-417-2110 or 417-2039 or contact@winnipegrentnet.ca for core programming. For Housing Plus programming please contact 204-414-8220 or hp@winnipegrentnet.ca.
