

Building Secondary Suites

The City of Winnipeg is pleased to offer a free, interactive panel discussion about building Secondary Suites as part of the *City of Winnipeg Housing Speaker Series*. Participants will learn about attached and detached secondary suites, building code requirements, zoning considerations, property assessment implications, and details of the Province of Manitoba's financial incentive program. This Panel Discussion will be of interest to anyone considering development of a secondary suite in their single-family home.

Panelists will include:

Noah Yauk, Planner

City of Winnipeg, Planning, Property and Development

Shannon Greer, Manager Housing Delivery

Province of Manitoba, The Manitoba Housing and Renewal Corporation

Alan Mingaracal, Senior Residential Plan Examiner

City of Winnipeg, Planning, Property and Development

Steven Ulrich, Private Developer

JSU Properties Ltd.

Chris Loewen, Sales Consultant

Garage Masters

Brad Sveinson, Director, Design and Sales

Character Homes

Refreshments will be provided and seating is limited.
