

Province releases Report of the Rental Housing Supply Roundtable

The Rental Housing Supply Roundtable was convened to bring forward the important issue of rental housing supply in Manitoba and to identify potential tools and solutions to address the critical shortage of rental housing in Manitoba. The Roundtable was co-chaired by the Minister of Housing and Community Development and Mr. Mel Boisvert of the Winnipeg Realtors Association, and its membership consisted of various housing stakeholders with professional expertise relevant to the mandate of the Roundtable. The Roundtable operated under the principles of shared responsibility, collaboration, and mutual learning, a process that enriched discussions and greatly informed the development of the proposed solutions identified in the final report.
